# ANDOVER

Enduring Elegance & Artistic excellence

Elevate Picture Framing with Andover, embodying sophistication and elegance. Our exquisite collection of frames showcases a timeless foil finish that adds refinement to any artwork or photograph.

Meticulously crafted with hand-brushed foil effect edges, demonstrating impeccable attention to detail, seamlessly fusing beauty and craftsmanship.

Complementing the collection, Andover offers three versatile profiles, with seven distinct finishes, further elevating the framing experience and enfusing an element of elegance and sophistication.

Transform frames into works of art with Andover by combining it with artistic mastery. Enhance the framing experience and embrace this classic collection.
